On September 29, 1995, Kentucky Power Company, the Office of the Kentucky Attorney General, the Kentuckians for the Commonwealth, Community Action Agencies Group, Kentucky Power Customers Alliance, Coleman Oil Company, Kentucky Tech Northeast Region, Cedar Knoll Galleria, and Kentucky Industrial Utility Customers ("Joint Applicants") filed an application to implement Kentucky Power Company Demand-Side Management Collaborative programs and a tariff under which the company would recover costs which include net lost revenues and receive incentives associated with the implementation of the programs.

The Commission finds that pursuant to KRS 278.190, further proceedings are necessary in order to determine the reasonableness of the tariff filing.

IT IS THEREFORE ORDERED that:

1. The proposed tariff be and is hereby suspended for five months from November 1, 1995 up to and including March 31, 1996.

2. Nothing contained herein shall prevent the Commission from entering a final decision in this case prior to the termination of the suspension period.
